We are a group of students of the 2nd Gymnasium Xylokastro applying for the 2008-09 school year an etwinning program about «The Rights of Children». The eTwinning program is an activity of the Ministry of Education and the European Union under the European Program of eLearning, and means twinning schools in Europe and collaboration on a specific topic. In this effort we are asking for your help. Answer the following questions so that we can have a view of our fellow citizens on the issue in negotiation. Please, respond by cycling the answer which expresses you.
