Earth ♡

Thank you ☺☺☺
☺☺☺

WAYS TO SAVE OUR PLANET

- 1 - People love trees
- 2 - children climb them and make tree houses.
- 3 - People live walking in forests.
- 4 - The biggest forest in the world is the Amazon rainforest.
- 5 - Trees give us oxygen and clean the air.
- 6 - People get fruit and wood from trees.
- 7 - But many fires every year destroy trees and people also cut them down.
- 8 - We can plant trees.
- 9 - Trees are our friends, we must save them.
- 10 - We must save them!
