

# *The myth of Europe*

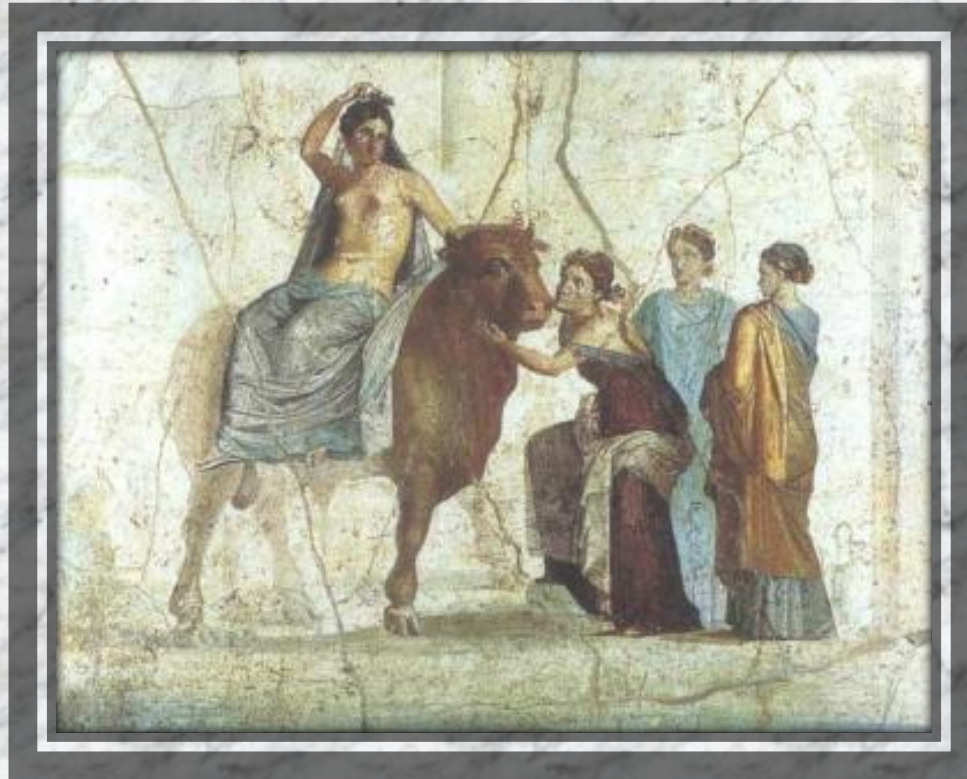

One day, Zeus falls in love with  
*Europe*, a phoenician princess

To get to her without being recognised,  
he takes the shape of a bull

The princess is very attracted by the beautiful animal

*He is happy to notice that the young lady finds him handsome*

*Europe* climbs on the back of the animal because she thinks they are playing a game

They walk away quietly like they  
were in a dream

When Zeus sees that Europa stays on his back, he starts to quicken his pace and jumps into the sea

*Europa* is afraid to drown so she ties herself to him until the end of the journey

Zeus brings *Europe* to Crete

Minos and Rhadamanthe

Minos

They have two sons : *Minos and Rhadamanthe*

***Europe becomes a queen and  
stays in Crete forever***
