

Friends
 (an acrostic poem)
Friends are like sunshine that brightens your life
Reliable, sweet and trustworthy
Ideal to fix your day
Everything you do together is unforgettable
Nothing is stronger than a friendship
Devoted friends comfort you
Support you and strengthen you connection

Friendship

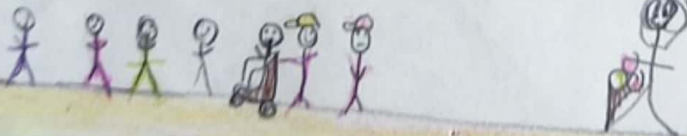

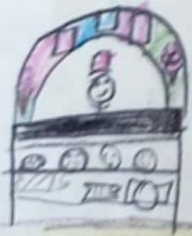

(a senses-based simile poem)

Friendship looks like a heart
smells like a sweet perfume
tastes like ice-cream
feels like paradise
sounds like good music

Friends

(a senses-based poem)

helping each other
laughing out loud together
sweating at the beach
baking delicious cookies
giving warm hugs
Oh, friends

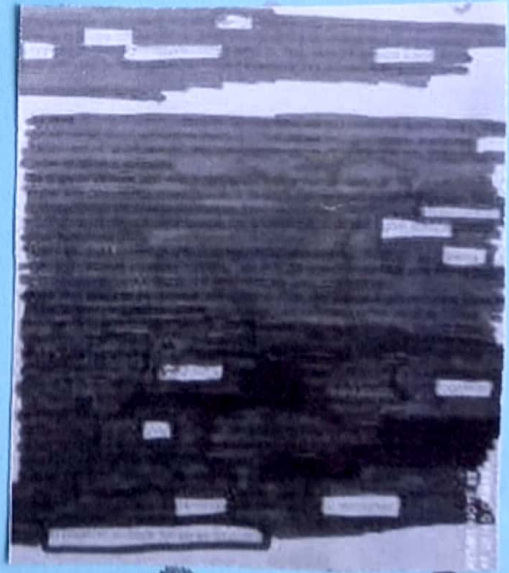

Friends
(Black poetry)

Friends support, care and appreciate your bond, share details, give advice. Being regularly together You develop or reconnect. A brighter outlook for years to come!
