Lyrics: Balogianni Eleni Music: Tzikas Sotiris

Wanna be a pasrt of school?

Join the fun and stay cool

We're happy, we're friends

Join the fun, it never ends

Wanna smile all day long?

Join the fun and keep it on

Art and math and English too

Say you like it, I like it, too

Come on everybody

Let's count to ten

We're happy, we're friends

Join the maths, never ends

Wanna smile all day long?

Join the fun and keep it on

Art and math and English too

Say you like it, I like it, too
