

Health for life

Erasmus+ 2016-2018

Lyrics: Weronika Olek-Taszarek

Music: Tzikas Sotiris

Today we can look back
at our lifestyle so far
Now we want to change it
Be healthy all the time

Let's all come together
Hold our hands
So let say loud
Health for life
We know it's important
Let's keep that in mind
So let say loud
Health for life

Now we are together
We share experience
Friends across the borders
Be friendly all the time

**Let's all come together
Hold our hands
So let say loud
Friends for life
We know it's important
Let's keep that in mind
So let say loud
Friends for life**

We believe in friendship
We do not want to fight
Friends across the borders
Be friendly all the time
