

Dear Captain Leandros Jesus and Crew of MAIA Leandros Jesus Good morning, we are very happy because you know us from a place we don't know and a profession we don't often encounter in our country!

At school we have many pleasant activities compared to yours that are difficult but very useful for all of us! Although we have entered Spring, we have a lot of cold and rain.

All the students liked the photo with the starry sky!

Today, Friday, April 4, we celebrate the Panhellenic School Day of Animal Welfare! We connected with the Panhellenic Animal Welfare and Environmental Federation so that Ms. Nomikou could inform us!

- What do you mean when you tell us about Lada's profession? Does it concern cooking or oiling machines?
- At "MAIA" will you celebrate Easter?
- Will you roast lamb, paint eggs?
- You have time for exercise?
- We suggest you exercise:
