"Comparing places in Greece"

Working on comparisons!

A hand-drawn word "Comparisons" is displayed within a rounded rectangular frame with a green border. The word is written in a colorful, stylized font where each letter is a different color: 'C' is purple, 'o' is yellow, 'm' is green, 'p' is blue, 'a' is orange, 'r' is red, 'i' is brown, 's' is grey, 'o' is pink, 'n' is light blue, and 's' is green. The background of the frame is white with a faint, light green grid pattern.

COMPARISONS

The sights in Greece are the most beautiful and important of all.

1. The church in Konstantinoupolis is more famous than church in Kremastie.

2. The White Tower in Thessaloniki is taller than Kolossos of Rhodes.

3. The sights in Rhodes are more than the sights in Kerkira.

4. The lake in Karditsa has got more species of birds and fish than the lake in Kastoria.

These are the gorgeous Greek sights. Also we are happy Greeks because we have got sights the most beautiful and important of all.
