Dear Marietta,
thank you for your kind words. Even though I have paired good pupils with weaker ones, it would be great if everyone had their penpal. So, I believe next week we are going to send the second letter with photos from the dance our school will have this Sunday, as the children will be wearing costumes. It would be nice if you could send some photos too. My pupils are 6th graders which means that they will go to high school next year. Would it be OK if I encouraged them to give their e-mail address so that this communication will continue after school?

Bye for now,
Aspasia

Dear Aspasia,

We have received your letters. Students are very excited about it. I find a student who is good at English to replace Yang-yang. His name is Willie. And I would like to know if I found more students to join this project so that one student would have only one penfriend, do you agree with that?

By the way, Panos is very cute.

Marietta

Dear Aspasia,

Take care of yourself. I'll send the letters next Monday. This time we prepare small gifts for your pupils. They are "Zhongzi" made of straw. Zhongzi is a kind of traditional Chinese food we eat on Dragon Boat Festival. You can see the names of producer on each Zhongzi. Please contribute them to their penfriends. And we will send some photos, too.

Best wishes

Dear Aspasia,

I'm fine. Still very busy. We have just received your letters, and we sent our letters today. It took some time to collect all the letters. Hopefully you can receive them before summer holidays. We like your magazine and tourist guide very much. The scenes of Salamina are astonishing! My school will break up for summer vacation from July to August. After summer vacation my students will be in 6th grade. I won't be their English teacher anymore. So it might be the last time we write letters. Most of my students have given their email address. I hope they can last their friendship by emails.

Best wishes,
Marietta

Dear Aspasia,

I would like to thank you for this wonderful cooperation. It's a great experience for me and my pupils. Next year I will teach 3rd and 5th grade classes. How about you?

Best wishes

Dear Marietta,

I'm glad you have received our letters. I think we'll have no problem receiving yours. After the summer holidays my pupils will go to high school so I agree that it will be up to them to continue this correspondence. I would like to tell you that I enjoyed this project and to thank you for the excellent cooperation. By the way, what will your class be next year?

Regards to you and all your pupils.

Aspasia
