ABOUT SIBIU, OUR TOWN

Sibiu is magic indeed. For those who live here, for those who visit it, for those who read or learn about it and for those who discover it.

Sibiu was first mentioned in documents in 1191, under the name of Cibinium.

Sibiu held the title of European Capital of Culture in 2007.

In the Small Square you can discover ***THE BRIDGE OF LIES***

It is the first cast iron bridge on the present day territory of Romania, made in 1859, ensuring the access from the Lower Town into the fortress. We have to warn you that the legends connected to the name of this bridge say that it squeaks every time someone crossing it tells a lie, threatening to break under the “weight” of a bigger lie!
