## Η Μέση οδός

Λατρεύω την ελευθερίαν, αλλά θα ήθελα να την βρίσκω θρονιασμένη ανάμεσα  
στη δικαιοσύνη και τον ανθρωπισμό.

Ελευθερία χωρίς δικαιοσύνη είναι καθαρά ληστεία.

Μήτε τύραννοι των χυδαίων, ούτε δούλοι της χυδαιότητας αυτών.

Adamantios Korais was deeply influenced by the french ideas and he is an advocate of evolution and progress, but in the meantime, he rejects revolutionary extreme ideas, therefore as far as the linguistic political and social ideas are concerned, he chooses to follow a more modest approach, known as “the middle path”.

# KORAI'S IDEAS

- *1) Korais refers to freedom based on justice and humanity*
- *2) Additionally, related to the subject of language, he suggested a language that would not be based on ancient greek nor would be a simple everyday language*
- *3) He believes in the power of knowledge and he tries to turn people away from superstition*
