## After School Tutoring Contract

### Attendance Requirements

The purpose of tutoring is to provide primary schools students the opportunity for additional help with school work. Students who are failing a class, are behind or need another perspective on problems are welcomed to apply for the program.

Tutoring is conducted at the We Need Books Library. Families are responsible for transporting their children to and from the Library. Attendance is crucial for the success of the program. Exceeding 5 absences will require a meeting with the parents and the teacher to assess the student's progress and their continuation in the program.

Students will not be allowed to attend tutoring classes unless they have a signed tutoring contract on file in the Library. Students are expected to attend tutoring for the entire duration of class.

If a student becomes disruptive, the parent or guardian will be contacted and required to meet with the teacher to discuss how to resolve the issue.

I have read and understand the conditions of this contract and agree to abide by the policies outlined above.
