Hi Greece,

When pupils may think of ideas about ringing the bell earlier than it normally will, than they can become very creative and smart, we are noticing this year. The best entries come from these countries with children wanting to go and play!

I think this is a very creative and very well executed chain reaction with a lot of good ideas! Congratulations to a fantastic chain reaction!

Good luck on the voting!

Kind regards,

Dave from Belgium

Hello Greece,  
that was a great video :)

excellent idea, well done!  
Hara
