School year/subjects in Britain

Nasia Thermogianni

Bill Batzogiannis

Bill Kotsalis

Sophia Piperigou

The school year starts on 4th of September. Children go to school from Monday to Friday. Summer vacations last for six weeks, but there is one-week vacation in spring and autumn.

There are many subjects. There is Art, which helps students draw better. Also, they have ICT, Science, Maths, Food Technology, Design Technology, History, Geography, R.E. English Literature and Foreign Languages.

Greek and British Primary schools

*The British Primary school is new and old.
The school has got twelve classrooms and
three hundred and eight students. There is a
computer room, a football field, a large
playground, a basketball court and a music
room. In the classroom there are computers, a
white board, desks and chairs.*

Our school is in Pefki.

It is old and big.

There are nineteen

classrooms.

There are two large playgrounds, there is one computer room, there is a music room but there isn't a football field. There are also two basketball courts in the school.

Our classroom is very nice. There are ten desks, there are two bookcases and four posters. There are eight pictures and one teacher's desk.

There are four teachers in the classroom.

There are twenty-four pupils in the classroom.

We arrive at school at 8:10 and we leave school at 14:00.
We have seven lessons and we have four breaks. The
children during brakes: play tag, hide and seek...They
eat: banana, fruit and sandwiches. We wear jeans and
T-shirts.
