## Let's talk about Greece

Delphi is in central Greece. It is a town. There are a lot of mountains and rivers. You can see many ancient sights and there are some very nice places there. The most popular sight is the oracle of Delphi.

You can eat pasta and many famous desserts. Foxes, rabbits, birds and many different animals live there.

There aren't any festivals in Delphi but a lot of tourists visit the attractions of this place.

We love Delphi because it is a very nice place!!!
