

# Letter from Mrs Fantasy

## STREAM

Dear My new friends,

I hope you are all well!

I am Mrs Fantasy ST(R)EAM!

I'm from the land of fantasy  and I like sending letters to schools and giving students missions. 

This year I will be sending letters to your schools  assign you missions every month to create together beautiful stories  with inspiration and imagination!

Our team is from Greece  Romania   
Lithuania  Italy  and Croatia 

What do you think we will learn in this project? With the help of your teacher, write your ideas in the **word cloud** 

Please take a look in this **video**  in order to meet me better! I would like to be at your school to complete the missions together. For this reason, if you can, make a **Mascot** "Mrs Fantasy ST(R)EAM" and place it in a corner of your school.

Now it's time to give you your first mission. 

I would like to tell you what my name means for this mission. Please click **here** 

You are invited to make our team **logo**. Try to make STREAM letters with different materials and put the letters in the row to form the word.

Paint thinks that are related with the name of Mrs Fantasy STREAM around the word "STREAM".

At the end we will vote on which is our favorite logo from the ones created by our friends from other schools.

I look forward to seeing your creations!

With Love,

Mrs Fantasy ST(R)EAM
