The Cook

The cook is a person who is doing the cooking. Cooks are called cooks. The word "cooking" comes from the Latin word "culina" (kitchen).

Being a connoisseur of his craft, the chef can change the mood of the guests, to glorify a particular name, to create a particular restaurant brand.

The process of cooking consists of several stages and operations. Cook primarily performs the following operations: reception of raw material, its processing, storage of products; preparation of cold appetizers, hot dishes and drinks, flour products; presentation of meals and their distribution.

Basic operations the cook performs manually. But today, the majority of time-consuming operations exercise machines, mechanisms and machines.

The cook should have a good General intelligence, well-developed senses of touch and smell; the coordination of movements of hands; high levels of concentration, switching, stability and volume of attention; a well-developed long-term, linguistic, logical, visual, imaginative, memory.

Cook's profession is one of the few that will be in demand always, under any circumstances, despite the crisis and other problems.

The Policeman

The policeman is an important public servant. He is strong, tall and a healthy man. He is a government servant. He wears a smart khaki uniform. He keeps a small stick in his hand. He plays a very important role. He has to maintain law and order. He has to do a lot of work. He goes from place to place to catch thieves and bad people.

Bad characters create a lot of trouble for all of us. Bad people are afraid of him. A policeman has to work day and night. At night he goes on the round the area.

This profession is not only arresting. This profession is for those who have the perception to resolve the problem of any situation. Personal life is restricted to certain rules and criteria.

Few policemen become very popular and people respect and salute them from bottom of their heart for his honesty and style of work.

On the occasion of the festival, he continues his duty for helping people to celebrate the occasion peacefully.. His duty is very hard, therefore, he should be paid a respectable salary.

A policeman helps good and peace-loving citizens. He helps them to be happy. Some policeman is trained to control the traffic.They control and manage the traffic at road junctions and crossings. A policeman also controls crowds. We must always cooperate with him in maintaining law and order. We should respect him. Our life and property are safe because of the policeman.
