

32nd Primary School of Piraeus-Greece

Monday 8th of March, International Women Day

Cultural bridges in Europe, erasmus 2020-2022

1 We celebrate the international day in online lessons

2 We remembered the celebration in our school in 11th of February 2020

3 We present you remarkable Greeks women nowadays

8th of March 2021, International Day of Women

March

The schools are closed in Greece, so we decided to celebrate the International Day of women in online lessons.

- We remember the celebration in our school in 11th of February 2020 that we have celebrated the International Day of women in Science.
- We see what our students created with several digital tools for this day.
- We discuss about remarkable women nowadays.

Happy Women's Day

11th of February 2020, International Day Women in science

A celebration in our school dedicated to three Greek women in

HYPATIA
Mathematician
And astronomer

Arvanitaki
Astrophysical

Biologist

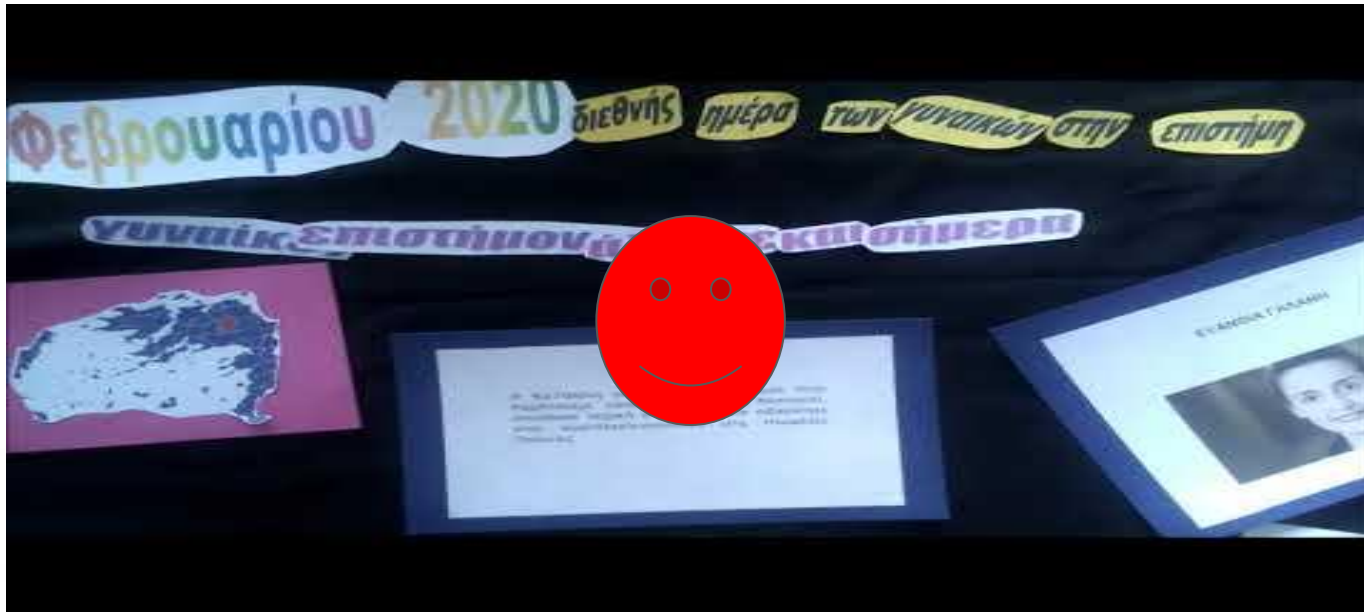

Press every
smiley face
please

Papaemmanouil, Biologist-Doctor

Galani, a Doctor against Cancer

Hypatia, a Mathematician who lived about 2000 ago

Arvanitaki, a remarkable physicist

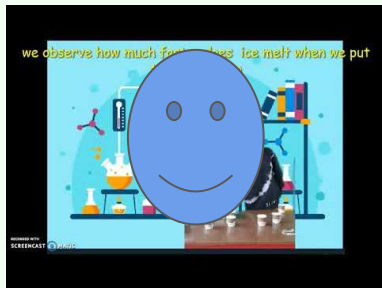

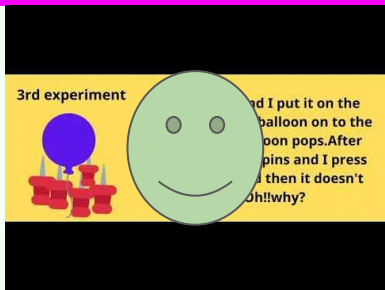

8th of March 2021

We continue to encourage the girls in science in our school,so the most of our projects are dedicated to the science and how to reduce the stereotypes about the girls and boys in science studies.
