A letter from the editor

by Giota Sotirchou

Dear readers

Welcome to the second issue of our “BALD JOURNAL”. For January and February this new year we go to the movies.

The children chose their favourite films, they searched in the internet for the English story lines and for posters and, as usual, we had a lot of fun designing everything!

And as for my own favourite film? Oh well, can you guess??

Enjoy your reading!

THE MECHANIC

Storyline

Arthur Bishop (Jason Statham) is a 'mechanic' - an elite assassin with a strict code and unique talent for cleanly eliminating targets. It's a job that requires professional perfection and total detachment, and Bishop is the best in the business. But when his mentor and close friend Harry (Donald Sutherland) is murdered, Bishop is anything but detached. His next assignment is self-imposed - he wants those responsible dead. His mission grows complicated when Harry's son Steve (Ben Foster) approaches him with the same vengeful goal and a determination to learn Bishop's trade. Bishop has always acted alone but he can't turn his back on Harry's son. A methodical hit man takes an impulsive student deep into his world and a deadly partnership is born. But while in pursuit of their ultimate mark, deceptions threaten to surface and those hired to fix problems become problems themselves.
