

# eTwinning Project “Friends of Nature”

- **March-April 2025**
- **Countries that participated in the project:  
Bulgaria, Romania, Greece, Croatia,  
Lithuania, Georgia, Turkey, Portugal.**

□ First we organized the project's dashboard.

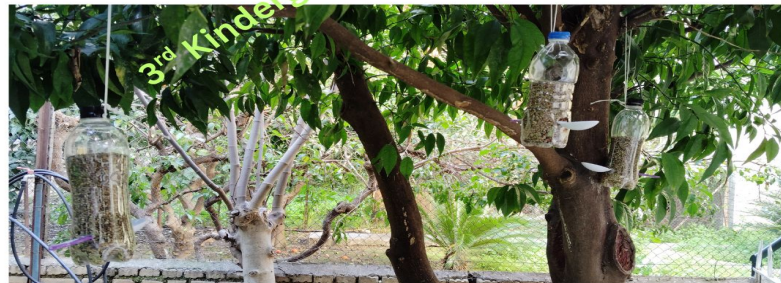

- Then all countries started doing a series of activities  
Week 1 activities \_ Title: “Explorers”

Making badges for the project

Making bird feeders

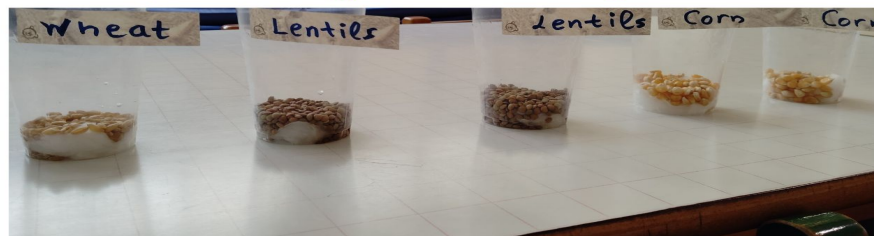

Then we watched an educational film about animals that hibernate and started our experiments! Week 2 activities \_ Title: “Ecology”.
