Use template

About this template

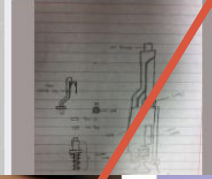

The entirety of a students' assessment is based on projects, so one of the key aspects of that is organizing your project timeline, responsibilities, and checklists.

Project Based Learning

Brainstorm & Research

1. Watch this video for a background of the project.
2. Identify the criteria that your product must meet.
3. Write a design brief for your...

Design

Development

10. Collect the necessary tools, and equipment to create a prototype.

Automation

- Rules**
Create rules that automatically respond to actions, schedules, or a card's due date.
- Buttons**
Create custom buttons on the back of every card or at the top of the board.
- Email reports**
Set up email reports, such as a weekly summary of all cards that are due within 7 days.

Filter
