"Magic Carpet"

# EQUALITY IN EVERY DAY LIFE

# Expand your horizons

A narrow street in a town, likely in Spain, is decorated with a series of colorful umbrellas hanging from the buildings. The umbrellas are arranged in a line, creating a vibrant canopy over the street. The colors of the umbrellas include red, orange, yellow, green, blue, and purple. The street is paved with cobblestones, and the buildings have a rustic, stone-like appearance. The scene is captured from a low angle, looking down the street.

**Stop discrimination and respect diversity**

"Embrace it, Feel it, Celebrate it"

**THANK YOU**
