

We are really very happy for the acceptance to this program. It's our first participation in a etwinning program and we are glad to work with schools from Turkey, Romania and Poland. It will be an excellent experience.

The logo of the 4th Gymnasio Oraiokaiokastro, which got the first place after voting for the logo of the program « Discovering plant ecology in my town» Voting through internet results form made by Mrs. Handa from Istanbul. Thank you so much.

Our children are very happy to work together.

Small olive trees in our school yard.

Olive trees also at both sides of our central school entrance.

Our beautiful neighborhood.
