THE ART RECOGNITION GAME

Many famous artists have a distinctive and unique style. Our students tried to guess the works of Paul Klee through the works of various famous artists.

Students successfully identify the works of Paul Klee!!!

Our acquaintance with the life and work of Paul Klee was completed through a theater game and free painting with the accompaniment of music. On the occasion of the saying "A line is a dot that went for a walk" the children were encouraged through a short story to represent the line.

Our story!!

Once upon a time there was a dot. Suddenly it started to grow and become a straight line. The line climbed mountains and played with the waves. After an adventurous journey, the line lay down to rest.
