

# THE DOT / Η ΤΕΛΕΙΑ

FIRST PROJECT  
4<sup>TH</sup> KINDERGARTEN OF PETROUPOLIS

# We read the book “The dot”

We talk about it and decided to work as a team

Then we searched the class and  
find objects that help us to  
create dots

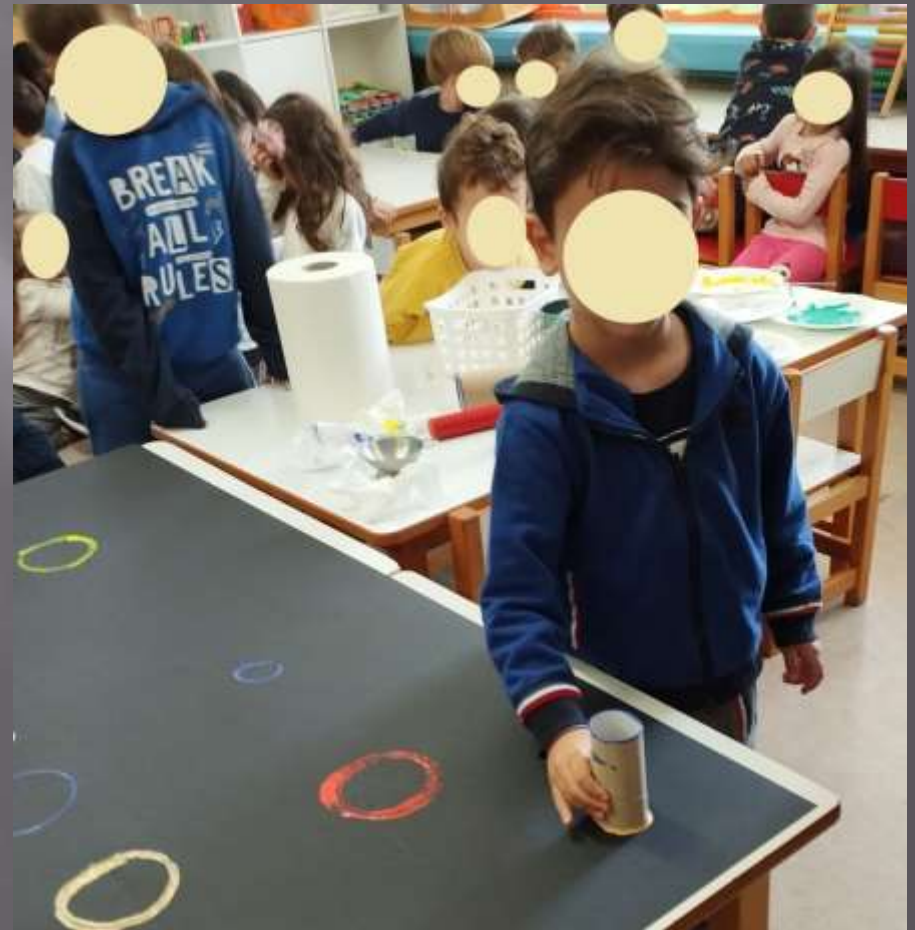

And selected our colours

# Then we started to create...

all kinds of dots until...

We finally made our first project!

Enjoy!
