

WINTER

Children play in the snow
Christmas is here
Santa is coming
Let's drink some hot chocolate
Ho ho ho!

SPRING

Rabbits are hopping
Flowers are beautiful
Trees are colorful
Spring is here!

SUMMER

Summer is here...
Summer is nice...
Summer is hot...
I go to the sea
I play outside
Summer is cool
Like an ice-cream

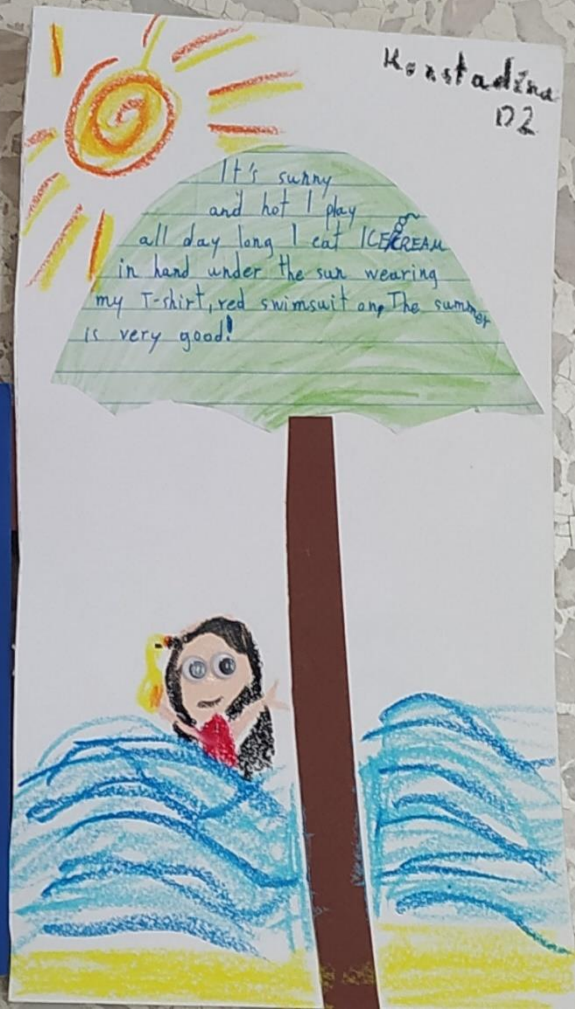

AUTUMN

Goodbye summer
Autumn is here
Leaves on the ground
and children at school!

Teacher Martha

Teacher Martha kind and bright
You fill our days with words and light
You help us learn you give your time
You make each lesson shine and fine
Thank you teacher for all you do
We're grateful more than words can say
You make us better every day
You change our lives with just a touch
You teach with love you care so much
Teacher Martha we love you a lot

SUMMER

Summer is a time for fun,
jumping and playing in the sun.
Swimming and making sandcastles,
eating ice-cream in the bar.
Meeting friends in the park,
staying up till dark.
Summer, summer!
I'm so glad you are here.

WINTER

Snow day! Snow day!
Everyone goes out to play.
Everything is white and clean,
Let's make a snowman and an ice cream
Let's make a snowball
to play snow war.
Wear a coat and a scarf,
Wear gloves and a cap.
Sophia
