has successfully completed the training course

Discover the 7Cs: Learning for Life (and Work) in the 21st Century

Teacher Trainer: Debbie Liebenberg
Prague | January 15th -January 20th 2024

In this 30-hour course, the participant acquired knowledge on how to innovate school curricula by gaining a systematic understanding of 7 of the most important soft skills in the 21st century as a response to migration and rapid technological development, which boosted the demand for the creation of a school system based not only on knowledge, but also on the principles of competency.
