

Coding and 4 Seasons

Code week 4 all: cw24-26boM

Description: As part of the E-Twinning program "STEAM AND 4 SEASONS", the following activities will be implemented:

- 1) Children are asked to color on a worksheet the boxes (pixels) according to the numerical/color code given (each number corresponds to a color) and reveal the secret picture (Pixel Art).
- 2) Children are asked to color on a worksheet the parts of the picture according to the color code given (each number corresponds to a color) and reveal the secret picture.
- 3) Children are asked to find the way to lead the squirrel to the acorn on a worksheet. They must cut and glue the arrows in the direction needed to arrive to the acorn. Let's see how many arrows they'll need! (Algorithm)

Worksheets to print:

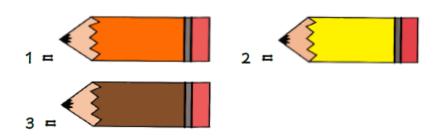

CodeWeek.
