

An aerial night photograph of the Sydney Opera House, illuminated with warm yellow lights. The building's iconic white, shell-like roof is prominent. The opera house is situated on a small island in the water, with a city skyline of lit-up buildings visible in the background under a dark, twilight sky. A crane is visible on the left side of the image. The water in the foreground shows reflections of the lights from the opera house and the city.

**AUSTRALIA**

# Canberra

## GENERAL DETAILS

Australia is in the southern hemisphere. The capital of Australia is Canberra. The population is 25,69 million. Australia borders with New Zealand in the south and east and with Indonesia in the north.

# The landform of Australia

Australia is an island. It is very big and it hasn't got mountains but it has rivers, dry lands, tall trees and very clean seas.

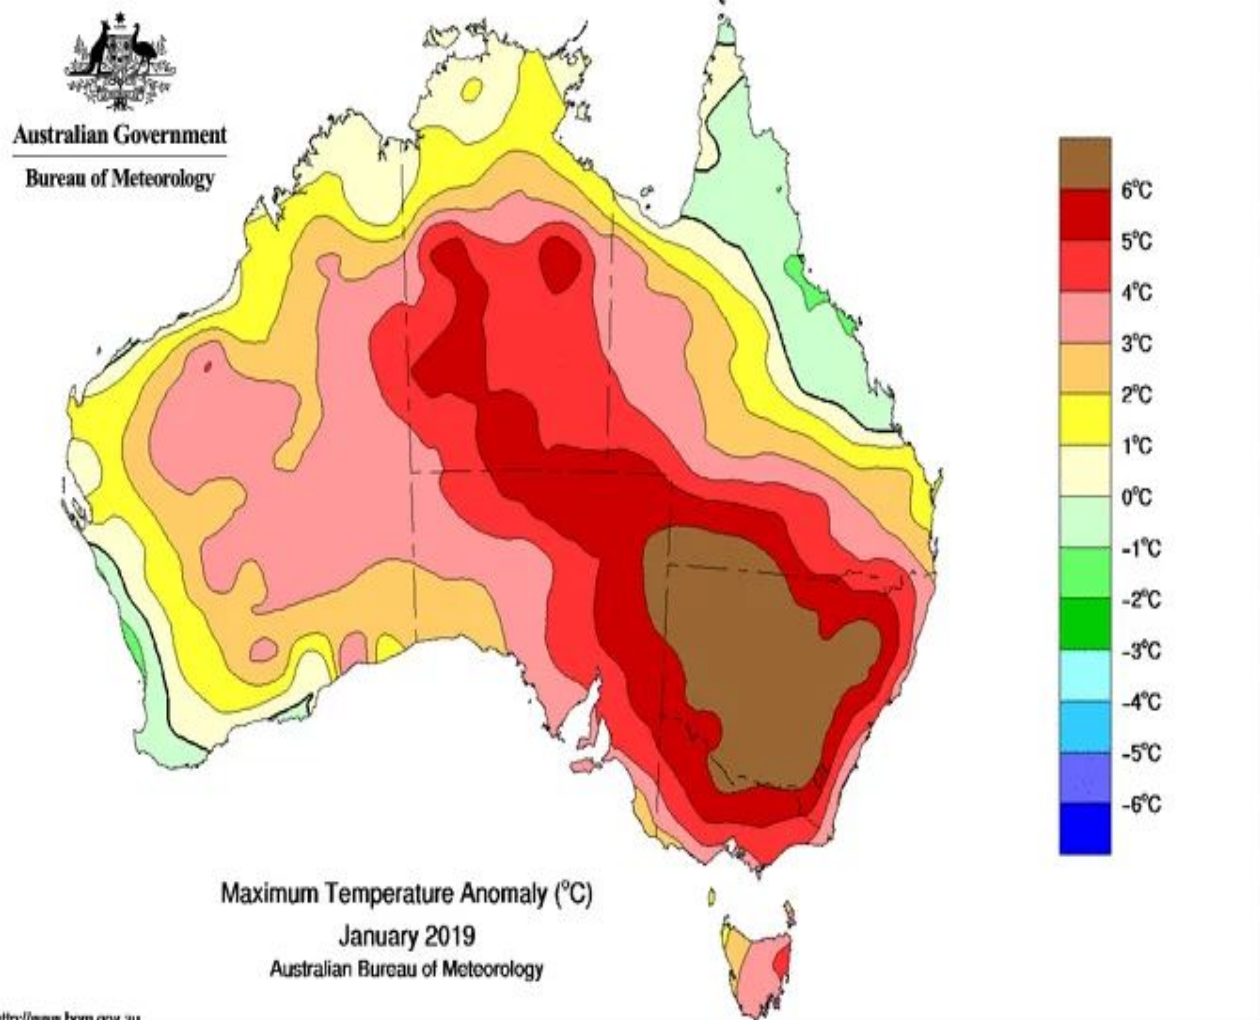

p123

# THE CLIMATE OF AUSTRALIA

The climate of Australia has a lots of variations. Along the coastline the climate is tropical, but inside the country the climate is continental and dry . Especially in the North , close to equator, there are lots of heavy summer rains.

# The sights of Australia

The sights of Australia are amazing. There you can see the **biggest coral reef** on the world, it is 2600 kilometers. The second nicest place is Uluru known as **Ayers Rock**, it is a big sandstone and it is 863 meters high. It is **located in the center of Australia, 335 kilometers from the nearest city**. Finally there are many beautiful beaches. One of them is **Bondi beach**, it has got white sand and **crescent shape**. Also you can do surfing there. Australia has many fantastic sights!!!

# FOOD

The most traditional Australian food is the ostrich. It is quite tasty and has a strangely salty and sweet taste, compared to other ordinary meat. It's usually served with salad. People there believe that it is one of the most delicious types of meat.

# The culture of Australia

**Australia's first or indigenous people, are usually referred to as the aboriginal people of Australia.**

**People in Australia are interested in sports ,especially football and tennis.**

**There are also some famous painters like Edith and Stellark.**
