The climate of France is oceanic and mediterranean .France has got mild winters,cool summers and lots of rains.

Famous people

Mbappé was born in Paris and was raised in Bondy.. His father, Wilfried, is originally from Cameroon and, as well as being Mbappé's agent, is a football coach, while his mother, Fayza Lamari, is of Algerian Kabyle origin and is a former handball player. Growing up, his idols were Zinedine Zidane and Cristiano Ronaldo. As a child, Kylian Mbappé went to a private Catholic school in Bondy, where he was considered academically gifted but unruly.

France has got rivers and mountains.

This is Liger. The Liger is the biggest river of France. Its length is 1020 kilometres

This is the French Alps. (a part of Alps). The highest mountain top is Mont Blanc and it is the highest mountain top in west Europe. Its altitude is 4808 metres.

Food

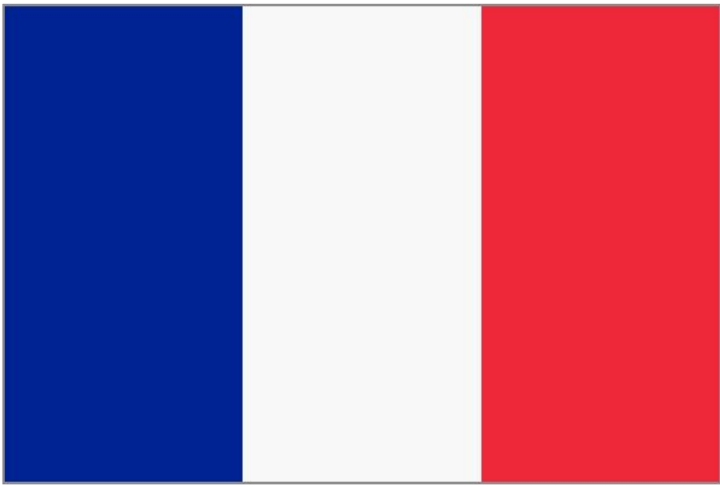

The onion soup is one of the most delicious soups in France. It is the king of soups because of its nice taste. It is served in cups with a large baked baguette covered with melted cheese.

A famous sight

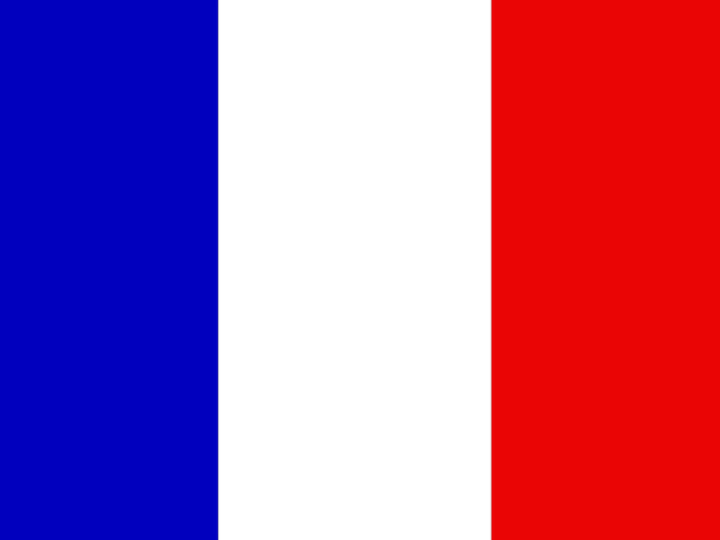

The Eiffel Tower was built in 1898 by Gustave Eiffel. Its is 276 metres high.

Ending

We hope you liked our presentation

ARISTEIDIS AND NICK.

Bonjour je vous remercie
