

The F class presents...

Internet safety tips

1. We should check which websites we visit.

2. When we talk online, we should be careful who we talk to.

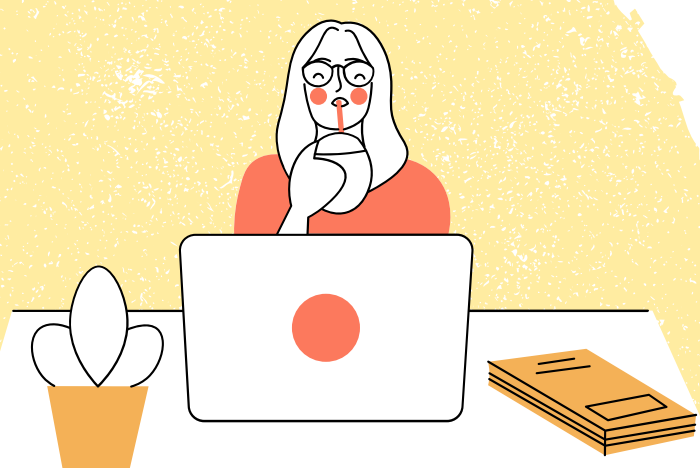

3. We never talk to strangers!

4. We never give any personal informatio. For example, we never give out our...

- home address
- email address
- phone number
- photos
- PIN
- ID number
- school address.

5. We should not post photos or videos from our holidays, while we are away.

The F class presents rules for online etiquette

1. We shouldn't use bad language.

2. We should not make fun of other people.

3. It is not a good idea to text when we are angry.

4. We must express our opinion politely.

5. We should not upload a photo when someone we do not know is in it.

6. It is a good idea to avoid typing in capital letters! It seems rude!

7. We should avoid using a lot of filters in the photos we upload.

8. When we comment, we must say where we found the information.

9. We should be careful with humour.
