AN ELF AT SCHOOL

This morning on December 1st we found a sweet elf in our nativity scene...

...with a letter for us!

1st December 2023

Hello bys and girls, Do you know me? I'm an elf and I come to you from far far away:

The North Pole

It's where Santa and elves like me live and make toys for girls and boys like you!

I have been sent to make sure there is lots of Christmas spirit and everyone is on their best behavior. I'll be stay with you until Christmas and I'll bring your letters to sante.

But be careful:

- · don't touch me or will lose my powers;
- talk to me, I can't answer you, but I will always listen to you;
- > 2) ways try to be a little nicer than you usually ere.

Let's have some fun! Make sure to look for me every morning to see what I've been up to !

Love

Our elf made us find an Advent calendar on the grammar board with good deeds to do while waiting for Christmas... and chocolates for everyone!
