# INTERACTed IN SHORT

INTERACTed is an Erasmus+ funded project to support primary schools educators in using Interactive Digital Narratives (IDN) to develop the student's socio-emotional intelligence and empathy

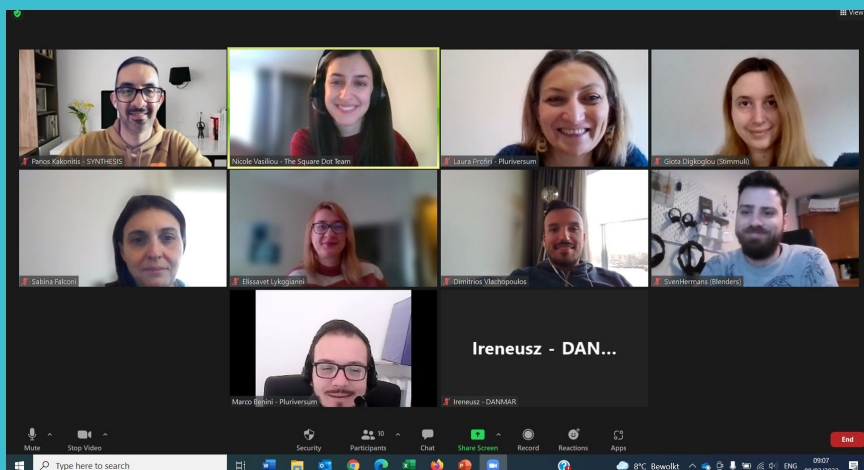

## ONLINE KICK-OFF MEETING

The team met online to launch the INTERACTed project on the 8th of February.

The partners had the chance to:

- engage in interactive and ice-breaker activities
- get to know each other
- discuss their main responsibilities, the project's main objectives and next steps

### Literature Review

All partners will conduct research into curricula requirements across Europe in primary education and especially in the partner countries to see potential topics for use in the design of the professional development programme.

Partners will also map the current state of play of digital storytelling initiatives in their country's primary school curricula.

### Transnational meeting in Thessaloniki, Greece on July 12th and 13th

Partners will have the chance to meet in person for the first time in Thessaloniki in July!
