Note by the editor:

How would our school life be if the students made important and not so important decisions? Read below to find out:

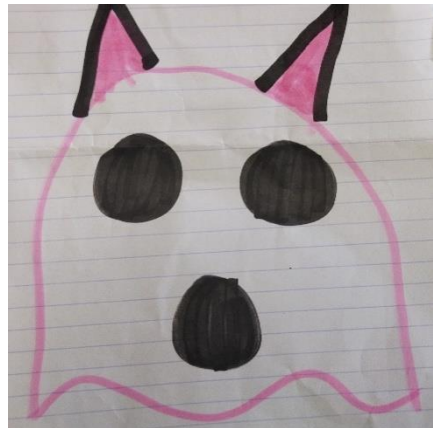

BREAKS

How long should breaks be? Well, here is an idea. Breaks should last for two hours so we can play and relax. It would be great if some classes lasted for only one minute. Do you like my idea?

CELEBRATIONS

I believe that we should celebrate many special events like Christmas, Easter but also Halloween, Mother's and Father's Day but also celebrations like International Ice-cream Day!!

CLOTHES

Every day we will wear something different. For instance, on Tuesday, we will wear white T-shirts and blue trousers. On Thursday, we will wear pink blouses and blue trousers. On Thursday, we will wear sweatshirts and sportswear.

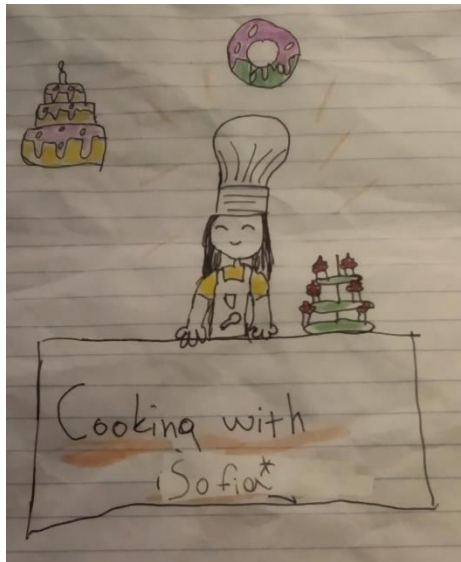

ENTERTAINMENT

Our class should be full of board games and laptops where we can play online games like Stumble guys (my favorite game). In another class there should be a big TV where we can watch movies.

EXTRA CLASS

For an extra class, I want to do cooking lessons, because I just love cooking!

FOOD

Ladies and gentlemen, you are reading the special news from the 7th Primary School of Amarousion, Athens. Today's theme is food. We are here to tell you what the best food the canteen should have. A kid, who is going to turn 10 in eight days, Marios Bozionelos (that's me) decided that the best food is Bougatsa. Bougatsa has a thin pastry and some of them have cheese instead of cream. People sometimes add some cinnamon and powdered sugar. It's my fave snack that I believe we should have in our school canteen.

Things that I don't like and we should never have in our canteen: Arabic pie, pizza, courou pizza pie. There aren't many foods that I don't like. Hopefully, the canteen has a lot of nice snacks like amaretti chocolate, juice, wafers, cookies.

Thanks for reading our paper. I hope you liked my article today.

FOREIGN LANGUAGES

Hello there. I have a problem. I don't know which new foreign language to pick. I have found two languages and all students have to vote for one. Here are the two languages:

Spanish: Spanish is one of the most widely spoken languages. It is not hard to learn, especially if you speak other languages like French.

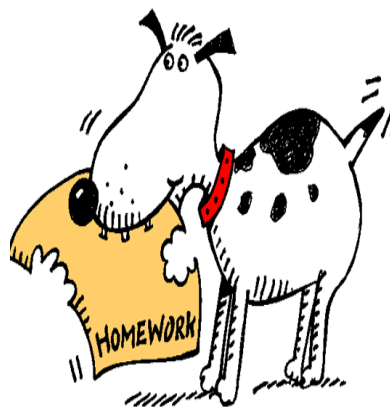

Italian: Italian is another really popular language. It's slightly less hard than Spanish.

So what would you pick?

HOMEWORK

How much homework should we have?! Well, one day every month we should have only one exercise and no tests!

MOVIE NIGHTS

Every Saturday evening we should all come to school and watch movies. Here are my suggestions: Anime films, Jurassic World, Avatar and Ice Age.

MUSIC

I think that it would be a nice idea to listen to music during the breaks. Children like hip hop and pop music because these songs have lots of energy and a happy melody.

SPORTS

In our school we should have many sports and not just basketball or football. I want to have a handball field and a swimming pool so we could have swimming lessons or polo!

STUDENTS' DAY

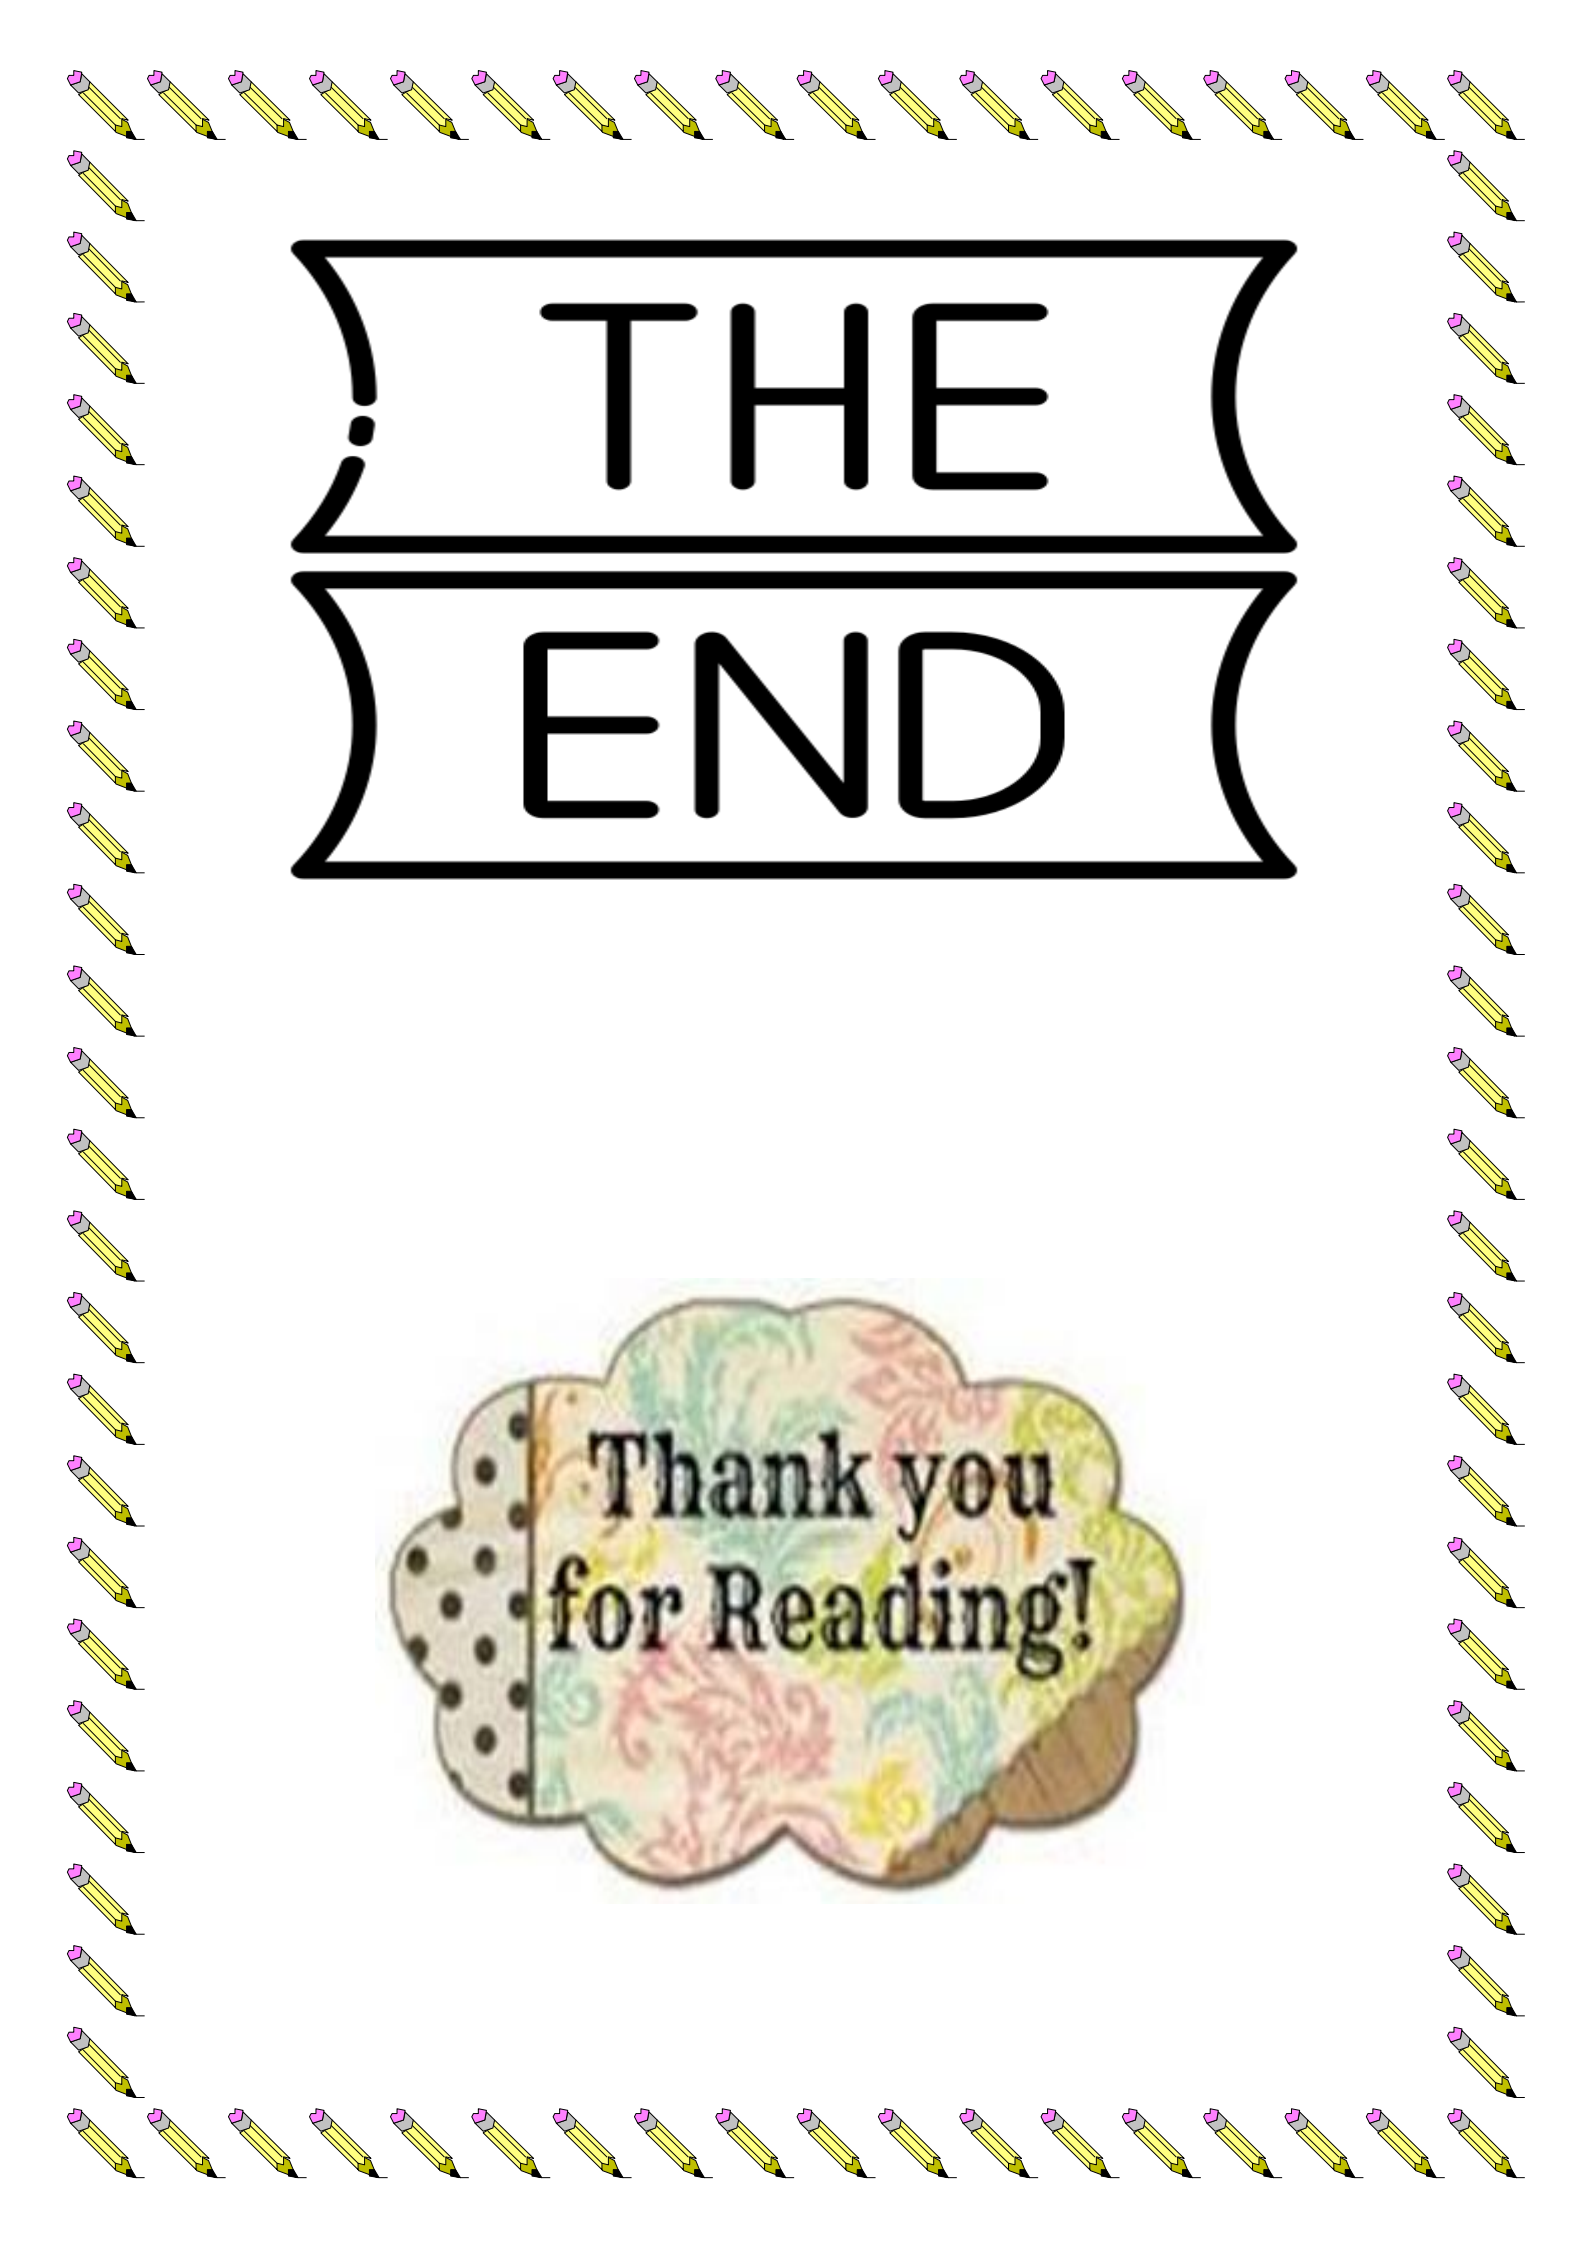

Every first Monday of the month students should become teachers. The girls should teach P.E Art, Languages, Lab Skills. The boys will teach Science, Geography and Maths. This day, all teachers will be students!!!

TRIPS

We should all visit Spain. I love Spain, especially the sea. We can also visit the football stadiums of Real Madrid and Barcelona. It's also a nice chance to learn a little Spanish.
