Hi Patty!

How are you? How were your summer holiday? My holidays were great!

When the school year finished, my family and I visited Mykonos, in Greece. We travelled there by plane and we stayed in a nice hotel near the beach. Mykonos was very beautiful. There were a lot of restaurants and shops and every night we walked in the town. The weather was hot and sunny, so I played at the beach every day! I didn't take a lot of things: my T-shirts, swimsuit and, of course, my sunglasses!

We stayed there for two weeks. I didn't want to return home and I cried at the airport!

And you? What did you do in the summer? Did you travel?

Love,

Sally
