"Material made with the financial support of European Commission through Erasmus+ Program"

The Erasmus+ K2 project "Cultural mapping of Europe" brings together schools from Spain, Romania, Turkey, Bulgaria, Italy and Greece in a partnership.

Project's OBJECTIVES:

1. To improve the knowledge of different local cultures of Europe by producing sustainable modern materials that preserve our cultural identity.
2. To improve knowledge of European languages.
3. To improve computer and Internet communications skills.
4. To create and develop networks between European schools for an exchange of experience and co-operation in future projects.

TARGET GROUP

- pupils from 10-15 years old.

Project's PRODUCTS:

- 6 E-magazine on various topics related to the project - "EUROPE TOURIST MAP", "EUROPEAN FOLKLORE MAP", "HISTORICAL MAP", "UNESCO MONUMENTS MAP", "EUROPE ART CRAFTS MAP" and "EUROPEAN GASTRONOMIC MAP", 6 Travel guides, a set of Common evaluation questionnaires, project's Calendar, Website, Blog, Facebook, eTwinning, advertising flyer, poster, movies and DVDs.

Erasmus+

2017-2019
