

1. KARAGÖZ AND HAC...

KARAGÖZ AND HACİVAT ARE AT SCHOOL

(On the way to school in a sunny winter day,Karagöz and Hacivat meet.)

HACİVAT:Give me a fun. Oh give me a fun.Wow, my Karagöz, my two eyes, hello

KARAGÖZ:Welcome, Hacı cav. You are going to my school.(Kadriye KOÇAK Mehmet Tarman Primary School Kayseri)

HACİVAT: I wanted to walk in this beautiful weather. I wanted you to join me too.

KARAGÖZ: Let's not get cold in winter, Hacıcavcav. (Sait KURUDAL Mehmet Tarman Primary School/KAYSERİ)

HACİVAT:You won't be cold, Karagöz. It's not cold. Don't make excuses for not going to school.

KARAGÖZ:Will the weather ever be hot in winter, hacıcavcav? I want to go to school too. (Mahmut ALTUNBULAK Mahzemin Primary School/KAYSERİ)

Karagöz: Hah hah hah!... Are you blaming the weather for this?

Hacivat: I'll beat you, don't laugh! (Büşra DEMİRKIRAN ÇOBAN Şirnak Science art and Center)

KARAGÖZ: I'm not laughing, haci cav cav. In fact, I want to cry because the weather is hot this winter day?

HACİVAT: Do not cry, my eyes.Look around. What do you see?

(Ezgi HERDEM/ Mehmet Tarman Primary School/ Kayseri/ Turkey)

1. KARAGÖZ AND HAC...

21

KARAGÖZ: What should I see, Hacivat? Two houses, one cow, three trees.

22

HACIVAT: Do you remember Karagöz ? We used to swing here when we were kids. A stream flowed before us.
(Rahime Akyürek / Mehmet Tarman Primary School / TURKEY)

23

24

KARAGÖZ: What really happened to the stream?

25

HACIVAT: What will happen, Karagöz? Trees were cut. The streams dried up.
(Tuğba Kurt / Mehmet Tarman Primary School / Kayseri / Turkey)

26

27

28

KARAGÖZ: Ha ha ha, do streams ever run dry, Hacivat? Who can drink that much water? You have aged well now. Let's take you to a doctor, huh.

29

HACIVAT: Don't be ridiculous, no one drank the water in my Karagöz. Drought started in the world because of the mistakes we made. (Seher ÇELİK / Yemliha Sami Yangın Primary School / Kayseri / TURKEY)

30

31

KARAGÖZ: What are our faults? I didn't do anything to anyone, Hacı cavcav. If a mistake has been made, you have made it.

32

HACIVAT: You're right, Karagöz, I made a mistake, and you did, even all the people in the world have made a mistake against nature. (AYŞE KILIÇ YÜKSELER / Şehit Jandarma Komando Er Hacı Aydıncı İlkokulu / Kayseri / TURKEY)

33

34

KARAGÖZ: What our mistakes Hacivat? Please tell me.

35

HACIVAT: There are many mistakes my Karagöz. I can not count them. We say shortly global climate change this. TOLGA POLAT / Mahzemin İlkokulu / Kayseri / TURKIYE

36

37

KARAGÖZ: What can we do after that my Hacivat? For example if we carry the water to the Stream, will it flow again?

38

HACIVAT: Will there ever be such a thing, Karagöz? Does the huge Stream fill with carrying water? (Cordos Ana Maria/Liceul Creştin Logos/Bistrita Romaniap

Hacivat: All the people ,Karagoz , in all over the world we must protect the forests where the trees hold the rainwater with their roots, we must use less our cars and motor who they produce har.ful gases .These gases are responsible for the overheat of the planet and the streams dried out! We must protect the earth Karagoz!!

Karagoz:Bravo Hacivat! Your are very clever!!!!I'm so proud of you!!!
