

Όνομα:..... Ημερομηνία:...../...../.....

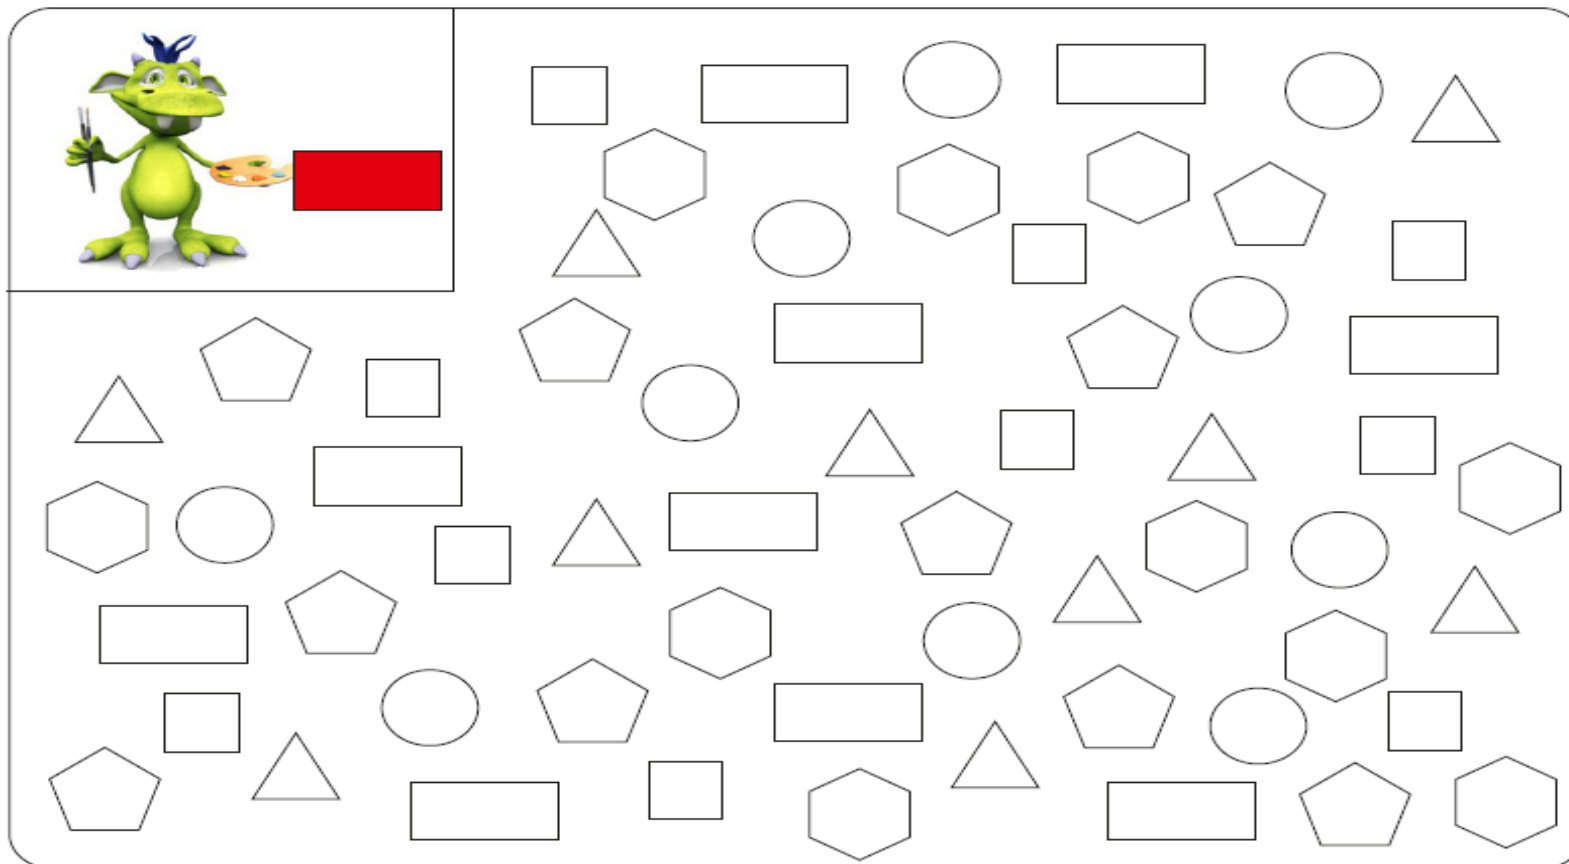

Ζωγράφισε μόνο τα ορθογώνια.

A large rectangular area containing a variety of geometric shapes for coloring. The shapes include squares, rectangles, circles, triangles, pentagons, and hexagons. The instruction is to color only the rectangles.

Όνομα:..... Ημερομηνία:...../...../.....

Ζωγράφισε μόνο τα ορθογώνια.

The illustration shows a green cartoon dinosaur artist with a blue tuft on its head, holding a paintbrush and a palette. It is painting a red rectangle. To the right, a large area contains a variety of geometric shapes: squares, rectangles, circles, triangles, pentagons, and hexagons. The task is to identify and color only the rectangles.
