Who will:

Write/type the text

Find the images

Create the final product

In your work, you should include:

- **Text**
- **Images**
- **Audio (if you wish)**
- **Your team's name**

You can create one of the following:

Poster

Video

Presentation

Your work will be assessed based on the following criteria:

Designing an innovative building in 2050				
	Excellent <i>25 Points</i>	Very Good <i>21 Points</i>	Good <i>17 Points</i>	Needs Improvement <i>13 Points</i>
Content	The project presents the building with clarity and originality. The text is well-written, accurate, and images/sounds fit perfectly.	The project includes clear and understandable text with appropriate images. Some details may be missing.	The project shows partial clarity, with some inaccuracies, mistakes, or missing images/sounds.	The project is unclear, with poor or inaccurate text and unrelated images.
Organization & Structure	Slides are excellently organized, with logical sequence and strong coherence. The message is delivered clearly.	Slides are quite well organized and understandable, with minor issues in coherence.	The presentation is somewhat fragmented, with limited coherence between slides.	The project is unclear, with poor or inaccurate text and unrelated images.
Creativity	Very creative use of colors, images, graphics, and/or sound. Impressive result.	Good use of colors and images, making the project appealing.	Limited creativity; images or colors are simple and basic.	No creativity; lack of aesthetics, sloppy work.
Digital Presentation	The project was uploaded correctly to the blog with neat formatting, clear title, and clean presentation.	The project was uploaded with good presentation, minor issues in formatting.	The project was uploaded but with clear issues in title/formatting.	The project was uploaded incorrectly or not at all.

Send the final product to my email: agpolixrono@sch.gr

until 21/12/2025.

Οδηγίες αποστολής email

1. Σύνδεση στον λογαριασμό email

Μπες στο Gmail, Outlook, Yahoo ή οποιαδήποτε άλλη υπηρεσία χρησιμοποιείς.

2. Δημιουργία νέου μηνύματος

Πάτα “Σύνταξη”, “Νέο μήνυμα” ή “Compose”.

3. Συμπλήρωση των στοιχείων

- Παραλήπτης (To): agpolixrono@sch.gr
- Θέμα (Subject): **Project - Innovative Buildings**
- Κείμενο μηνύματος: **Όνομα Ομάδας και Ονοματεπώνυμο όλων των μελών**

Π.χ. Great Designers, Πολυχρονοπούλου Αγγελική

4. Προσθήκη επισυναπτόμενου αρχείου

- Πάτα στο εικονίδιο συνδετήρα () ή «Επισύναψη αρχείου».
- Επίλεξε το αρχείο από τον υπολογιστή/κινητό σου.

- Περίμενε να ολοκληρωθεί το ανέβασμα.

5. Έλεγχος πριν την αποστολή

- Βεβαιώσου ότι το αρχείο ανέβηκε σωστά.
- Έλεγε παραλήπτη και μήνυμα.

6. Αποστολή

Πάτα “Send” ή “Αποστολή”.

ΣΗΜΕΙΩΣΗ: Την αποστολή της εργασίας θα την κάνει μόνο **ΕΝΑ ΜΕΛΟΣ** της ομάδας!
