and do the activities :

a. Watch the video “words can change attitudes”.

Comment on it, expressing your feelings and opinion on the way words can change our outlook on life

b. Watch the video “a picture is worth a thousand words” related to a TEDx conference and find out what Greta Friesen thinks about pictures and words. Are pictures enough to tell a story?

c. Watch the video about the 40 most powerful photos ever taken.

- Choose the one that impressed you the most and comment on it (justify your choice, express personal feelings)
- Write a story behind this picture in 150-200 words.
- Take your own picture of a scene that impressed you so that we have our class photo gallery uploaded on the blog
