

The Tower of London

An incredible destination for everyone to visit!

The Tower of London, officially His Majesty's Royal Palace and Fortress of the Tower of London, is a historic citadel and castle on the north bank of the River Thames in central London

Why is the Tower of London so famous?

When William the Conqueror built this mighty stone tower at the centre of his London fortress, defeated medieval Londoners must have looked on in awe. As protector of the Crown Jewels, home of the Yeomen Warders and its legendary guardians, the pampered ravens, the Tower now attracts over three million visitors a year.
