Activity 2.1 and 2.2

Christmas Dance/ Christmas journalist

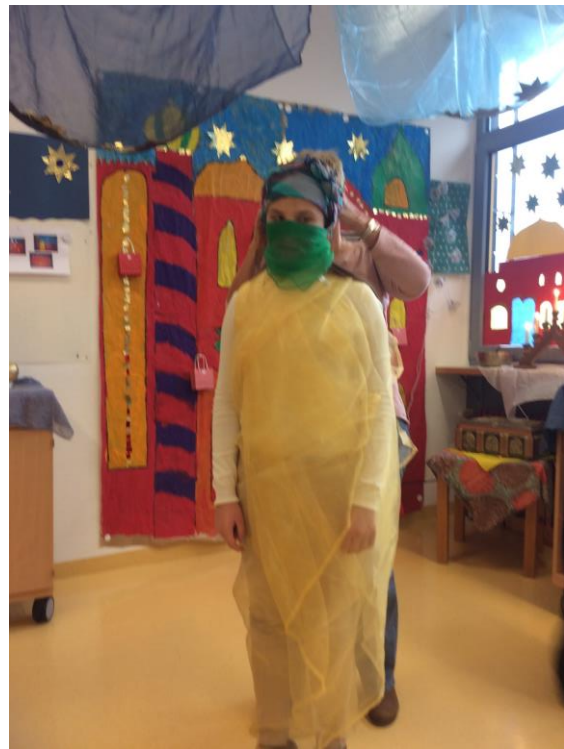

These two activities were carried out by our classes 5- 7 and their teachers. They did a big project dealing with mainly the orient and the three kings.

The pupils learned a lot about the orient, heard many stories and prepared for visiting a big theatre in a city nearby whose Christmas play for children in 2015 was „Fairytale of 1001 night“. The pupils were fascinated about the stories and the stage designs. So a whole classroom was prepared for being a city of 1001 night.

Listening to a lot of different music they worked out a choreography of a dance, of course they also made and designed their own costumes:

After a lot of practising they made a film with their dance and they also performed it for the whole school at the Christmas celebration.

At the same time the local village had asked if the pupils would like to build a Christmas crib out of old display dummies for the annual Christmas market in Zavelstein. So many days of designing and sewing later this was the wonderful result admired by the many visitors :

So the pupils had the idea to interview the characters of the Christmas crib themselves for the activity „Christmas journalist“ and made a film out of it.
