

ΜΑΚΡΗΣ ΠΑΝΑΓΙΩΤΗΣ

ΤΑΥΤΙΣΗ ΕΙΚΟΝΑΣ ΜΕ ΣΚΙΑ ΟΔΗΓΙΕΣ

Στα παρακάτω φύλλα εργασίας κόβετε τα πλαίσια με τις εικόνες και τις σκιές τους.

Δίνετε στο παιδί μία εικόνα και δύο σκιές και προσπαθεί να ταυτίσει την εικόνα με την σωστή σκιά.

Μπορείτε για κάθε φύλλο εργασίας να βάλετε όλες τις εικόνες τη μία κάτω από την άλλη και να βρει το παιδί την σωστή σκιά για κάθε εικόνα.
