---

## The Mirrorcube

- The Mirrorcube, located in Harads, Sweden, is a lightweight aluminum box suspended around a tree trunk and covered in mirrors.
- Accommodates two people at a time, with a double bed, a small bathroom, a living room and a roof terrace.
- Access to the cabin is by a rope bridge connected to the next tree.

## Kumbuk River Hotel

- The Kumbuk River Hotel is located in Buttala , Sri Lanka.
- On 16 acres of wilderness along the Kumbukkan Oya River, visitors sleep in the belly of a giant elephant.
- This two-story-eco-lodge is built from grass and twigs.

## Dog Bark Park Inn

- Dog Bark Park Inn, located in Cottonwood, ID, is a beagle-themed B&B that sleeps up to four guests at a time.
- Guests enter the body of the giant dog through a balcony. The dog's head houses a loft bedroom and an alcove within the muzzle, with a toilet disguised as a fire hydrant.

## The Ice Hotel

- The Ice Hotel is located in Jukkasjarvi, Sweden.
- It is the world's largest hotel made from snow and ice.
- Guests can sleep in a bed made out of snow and ice (like most of the other furniture), at temperatures around minus 5 degrees C.
- The entire building melts and gets reconstructed every year.

## Sandcastle Hotel

- The Sandcastle Hotel is located in Weymouth, UK.
- This seaside resort was made entirely from sand—about 1100 tons of it. It held up until the next big rainstorm.
- For about 15 dollars per night, guests fell asleep under the stars and woke up to the tide lapping at the door!

## Palacio de Sal

- Palacio de Sal is located in Salar de Uyuni, Bolivia.
- There are a living room, a dining room, a bar and 15 bedrooms made entirely from salt.
- The hotel is built of salt blocks hauled from the vast surrounding salt plains and held together by a cement-like mixture of salt and water.

## Hotel de Vrouwe van Stavoren

- The De Vrouwe, located in Stavoren, Netherlands, has remodeled wine caskets into four two-person rooms with standard amenities and an attached bathroom and sitting room.
- The 14.50-liter wooden caskets still smell like the Beaujolais wine they once stored. The rooms are small but airtight and strong.

## Godiva Chocolate Suite

- Godiva Chocolate Suite is located in New York City.
- Godiva designed this suite entirely from chocolate—including the armchairs, the bed, the artwork, the lamps and the walls.
- The chocolate room was moved to the Bryant Park Hotel for Valentine's Day in 2008.

A photograph of a modern building at dusk. The building has a blue facade and a grid of windows, some of which are illuminated from within. In the foreground, there is a swimming pool with a blue surface, and a paved walkway leads towards the building. The sky is a deep blue, and the overall scene is lit with the warm glow of the setting sun.

Thank you!!!
