

ΘΕΜΑ 1. ΚΑΤΑΝΟΗΣΗ ΓΡΑΠΤΟΥ ΛΟΓΟΥ

Read the text and decide if each statement (1-10) is True (A) or False (B).

Every parent would be interested to give his/her child the best toy possible in order to:

- keep the child busy
- use his/her mind in a productive way
- develop its creative talents
- have a lot of fun

That's why we have created our *Get Started Set*!

IT LOOKS LIKE A LOT OF FUN.

BUT IT'S A LOT SMARTER AND CRAFTIER THAN THAT.

Keeping little hands and young minds busy in a useful way is simpler than you can imagine with our *Get Started Set* which consists of two sets: a) the *Clay Things Set* and b) the *Needle Arts Set*. With the first set, children can discover the pleasure of making models with clay. From first attempts to 'works of art' the *Get Started Clay Things Set* has all that kids need: Three bags of special clay, many different kinds of paints and tools for cutting, rolling, decorating and patterning.

The second set that is called *Get Started Needle Arts Set*, includes special equipment such as needles, threads, tools for cutting and even a thimble. This Set could help tomorrow's fashion designers develop the talent of adding a special touch to ordinary clothes. If our *Get Started Set* pleases you, there is also our complete candle-making kit called *Colour Candles Set*. Call us. We will send it to you upon request.

(Words: 219)

STATEMENTS		A	B
		TRUE	FALSE
1.	This text could be found on the website of a toy company.		
2.	This text is mainly addressed to kindergarten teachers.
