## HALLOWEEN SHORT STORY

Once upon a time there was kid John who was looking forward to Halloween.

On the Halloween day all the kids were wearing their suits but John didn't wear his suits. He was staying in his house and he was playing playstation 4. One hour later three kids rang the bell at John's house. John opened the door and the other kids told john to give them the sweets. John refused and close the door. But then he understood his mistake, he put on his scary costume and went outside to celebrate Halloween. Every Halloween John celebrated that day and he was very, very happy ever since.

**They saw a big and strong waterfall. Suddenly, Cameron fell in it...The other girls thought that Cameron was DEAD... The girls were hopeless. They searched for a way out, when they went to the exit, they saw Cameron... they were excited. They asked her how she survived. Cameron told them that when she fell down, a big, strange and cute**
