

...a book
needs...

to hold it
with love!

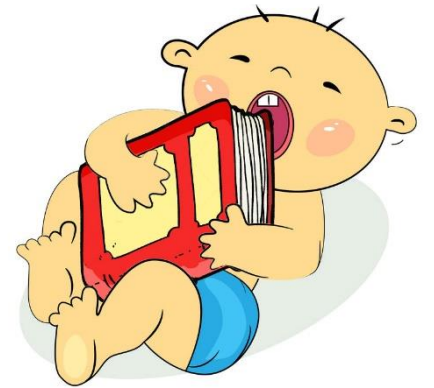

to turn
its pages
gently...

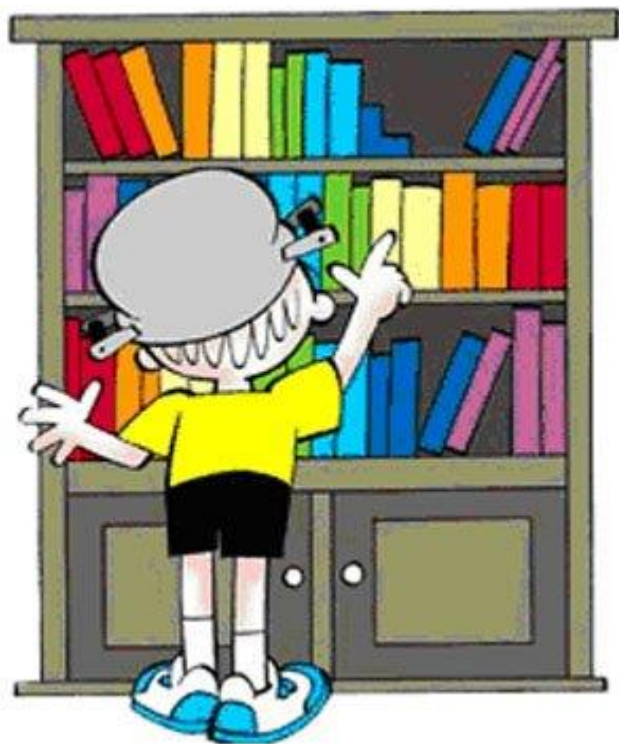

to protect it
from food
and drinks.

to look at it
from little
bookkeepers who
want to tear it,
to paint it,
to bite it!

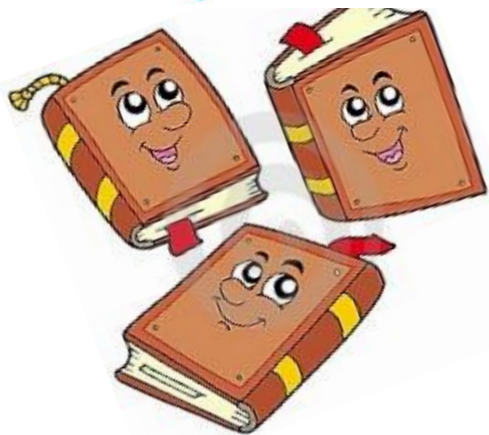

• to return it
to the self
of the library
when you stop
reading!

...to use
a bookmark
to find the page
you stopped at.
instead of
solving it!

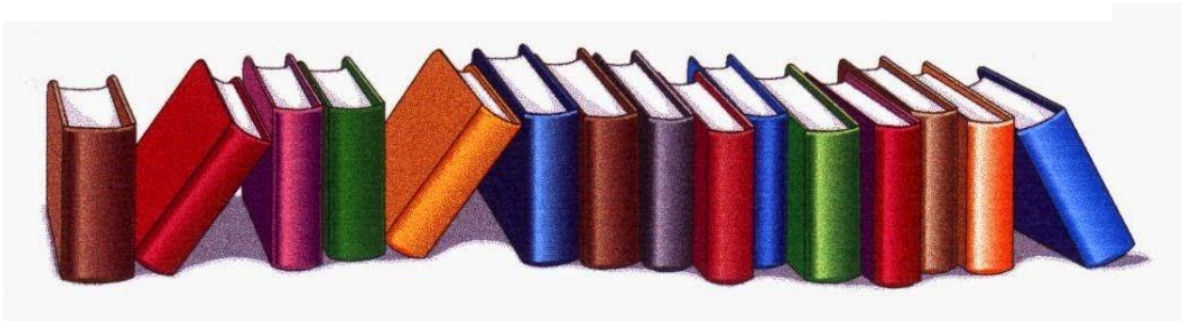

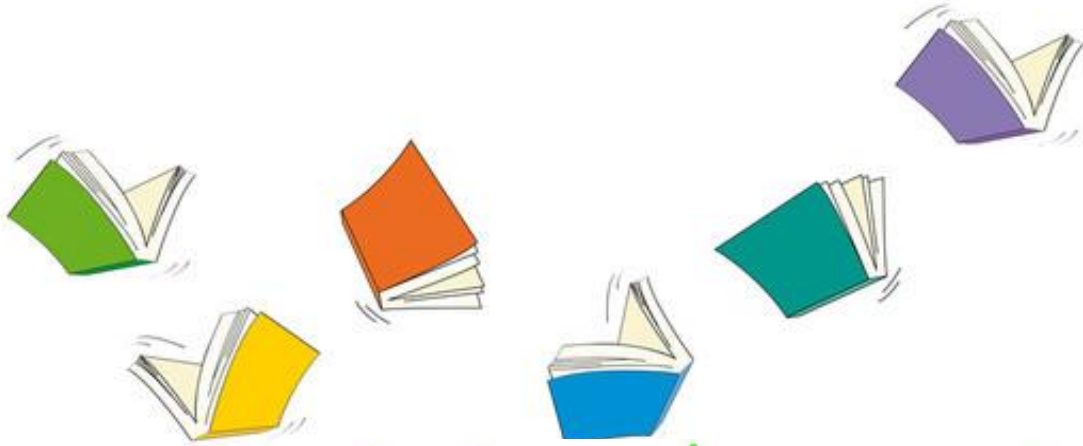

...And Remember!
you can take any
book you want...
...if you bring
another!

So the bookshelves
will never be
empty!!

...then books
can travel...

and you can
travel with
them!

In a free library.
