

Nea moudania , Halkidiki

The small town of Moudania was founded by immigrants from Asia Minor. Today it is the biggest town of Halkidiki with a population of around 10.000.

The mainly engagement of in the habitants is fishing and the most common fishes are sardines and anchovies. In Moudania there are all comforts and here you can live a nice life.

Also, there are beautiful beaches with perfect blue and green waters. Furthermore, the best sight is the big church of St. George in the middle of the town.

Naturally, because Moudania is a place next to the sea there are hotels which give you all you need during your stay. More over, there are many shops with traditional-local products, three museums, one close theater and one

amphitheater. Additionally, there are many schools, tutorials and police station for security.

All in all, there are buses with daily schedules to Thessaloniki and to many other places.

Thessaloniki is only 54km far from here and the 4 basic streets are the Rinroad around the city, Thessaloniki's street, Javoura's street and the Liberty Avenue. Finally, in Moudania there are many doctors, for instance ophthalmologists, dentists, pathologists, surgeons and public health center, a nia effort.
