

intro: C Am F G (x2)

C F G
Try to imagine a house that's not a home,
C F G
Try to imagine a Christmas all alone,
C Am F G
That's where I'll be, since you left me, my tears could melt the snow,
C Am F G
What can I do, without you? I got no place, no place to go!

C Am F G
It will be lonely this Christmas without you to hold,
C Am F G
It will be lonely this Christmas, lonely and cold,
C Am F G C F C G
It will be cold, so cold, without you to hold, this Christmas!

C F G
Each time I remember the day you went away,
C F G
I wouldn't listen to the things you had to say,
C Am F G
I just breakdown, as I look around and the only things I see,
C Am F (pause) G
Are emptiness and loneliness and an unlit Christmas tree!

chorus

C F G
Do you remember last year when you and I were alone
C F G
We never thought there'd be an end and I remember looking at you then
C Am
and I remember thinking that Christmas must have been made for us,
F G
Cause darling, this is the time of year that you really
C Am F G
you really need love, when it means so very very much
C Am F G
It'll be lonely this Christmas without you to hold
(so it'll be lonely this Christmas without you to hold)
C Am F G
It'll be lonely this Christmas lonely and cold
(It'll be so very lonely this Christmas lonely and cold)

C Am F G
It will be lonely this Christmas without you to hold,
C Am F G
It will be lonely this Christmas, lonely and cold,
C Am F G (pause) C F/Fm C
It will be cold, so cold, without you to hold, this Christmas!

Merry Christmas darling, wherever you are!
