

In a dark dark
wood

Happy halloween

I heard a strange
noise. From a dark
dark cave.

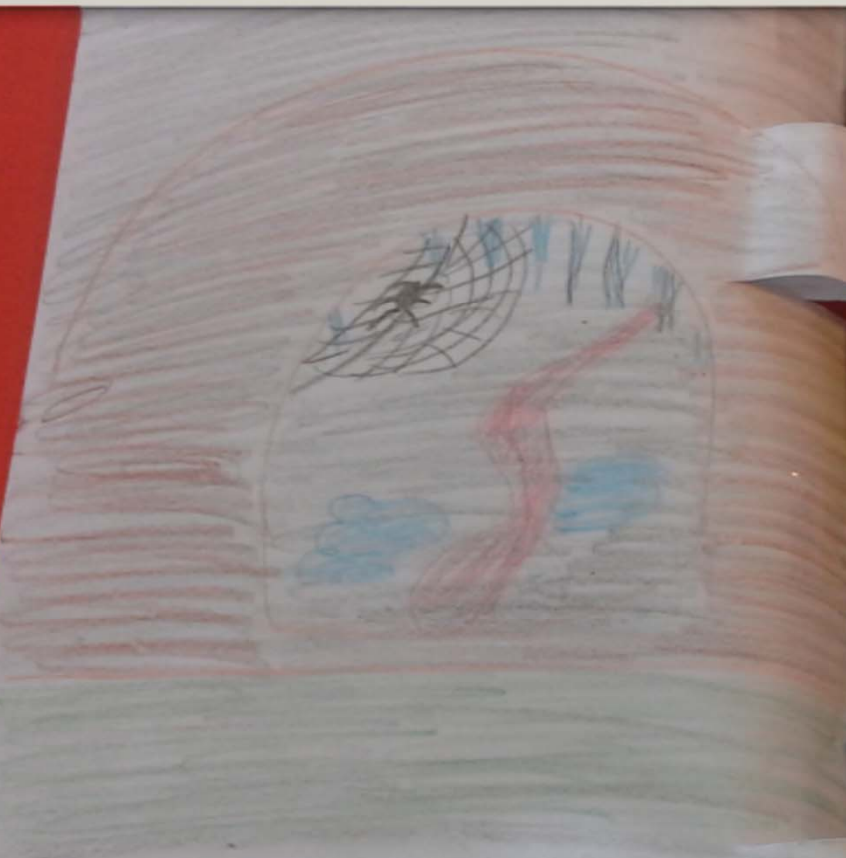

I was brave, so I went
to see what it was.

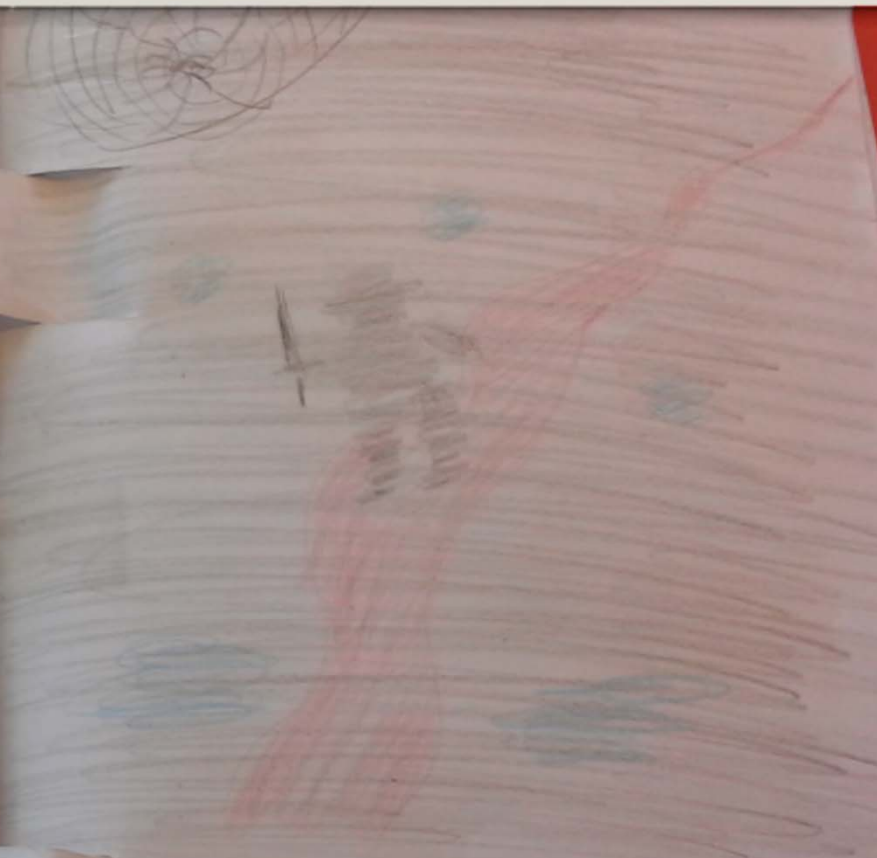

Inside the cave
there was a path...
a long path.
long

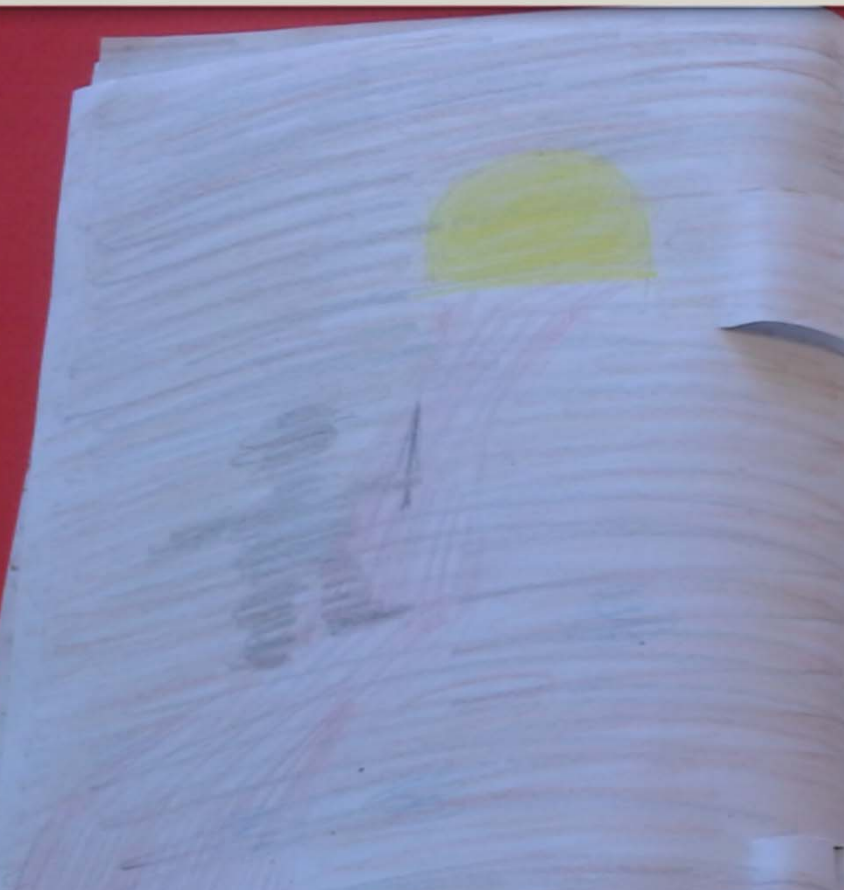

Everything was
dark ...

The cave was wet
and cold.

I was ready to
come back.

But at the end...
I saw a light.

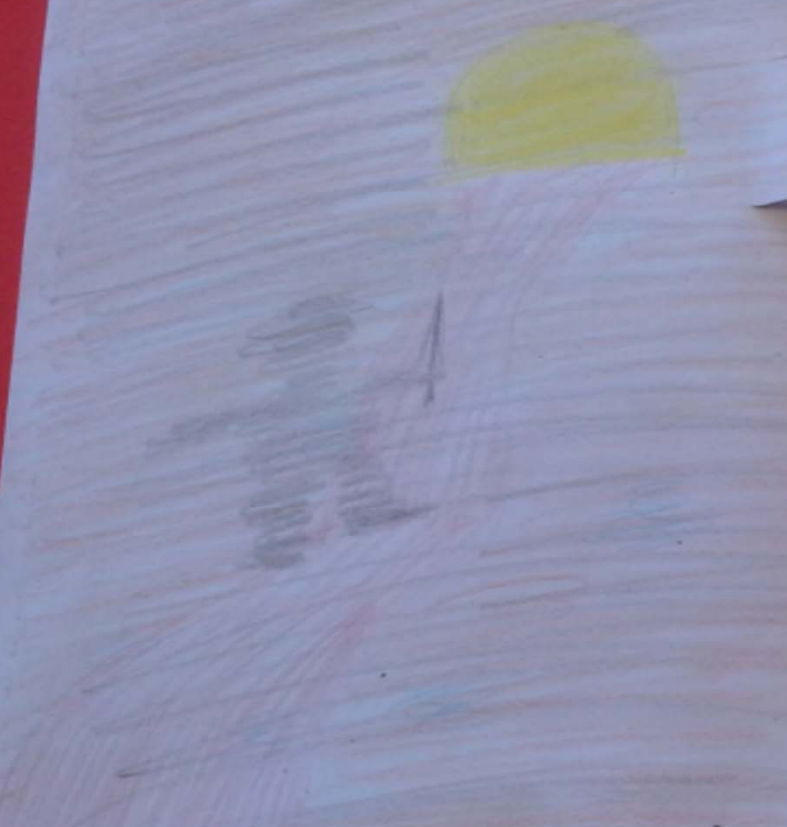

Near to the exit
I saw a huge
dragon.

The cave was wet
and cold.

I was ready to
come back.

But at the end...
I saw a light.

Near to the exit
I saw a huge
dragon.

It was sleeping...

Quickly, I passed
away and I
found a treasure

I took some diamonds
and I return to my
house.
